Hello Section 3!

I can hardly believe that this is already
second newsletter. This amazing year has
started to fly by in a blink of an eye. I ha
enjoyed getting to see members in the
classroom at chapter visit's, at FFA events
conferences! I have loved getting to know
all as FFA members, and can not wait to
where the rest of the year will take us

excited to see all of your ambitions and potential this year as I con
l to Chapter Visits, Leadership Development Events, and Chapter e
v that you all have amazing goals to accomplish this year. Whether
new FFA event, getting more involved, or reaching for that state c
ve in all of you and I am here to support you no matter what your g
ear! In times of challenge or the best possible outcome, this is a qu
y with me- " Success is not final, failure is not fatal, it's the courage
ue that counts" - Winston Church Hill. You have everything you ne
d, you just need to believe in yourself. Successful looks different f
FFA members, as we all have different goals.

making genuine connections and am usually the person who reme

self at an event! Challenge me to remember your name and somet
you. I'm here to serve you, and I want this year to be one where yo
rted, heard, and excited to be an FFA member! Feel free to reach
