STATE OFFICER UPDATE!!!

If we've never met before or you don't know who I am, My name is Cheyenne Johnson and I am serving this year as the WI State FFA Vice President! I come from a small town called Oregon within the boundaries of Section 5! I didn't come directly from an agriculture background yet I found my place within the organization. I knew I wanted to work with animals and seek a future career in the Animal Science category. My first SAE project was raising and showing rabbits while horses began to grow on me as I had just entered the FFA. Currently I still maintain both of those SAE projects at home and hope to continue them within my future. I am going to be studying this fall at Madison Area Technical College to become a Certified Veterinary Technician! I can't wait to meet all of the members of our association. Yours truly,
Cheyenne Johnson - WI State FFA Vice President

WISCONSIN ASSOCIATION OF FFA

THEME!!

This year's theme for the 2024-2025 school year is Turn It Up!!!

The state officer team picked this theme for the year because of the energy we bring to our association and the hard work we put into representing and advocating for agriculture.

I know our state officer team would love to see some inspiration and creativity with our theme this year so go wild!!

Summer Activities

Base Camp

Our first event as a team was to learn more about each other's strengths and how we can use them to be the most efficient together! We were so ready to start our year!

WAAE

We had the pleasure of attending the WAAE conference in Oshkosh to meet advisors around the state while congratulating them on their accomplishments throughout the past year!

Checkpoint #1

This was our second training camp together where we learned about "The Magic Formula" and we used it to start building our workshops and speeches for the year!!

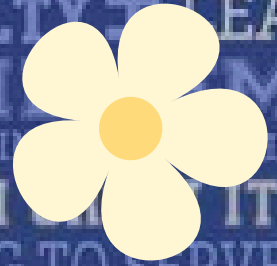

Summer Activities

Summit

We got to learn how to be the best advocates for agriculture! We also got to explore and learn more about our nation's capital!

State Fair

Being able to teach the public about pieces of agriculture was cool! We also got to present flags for the famous Governor's Auction!

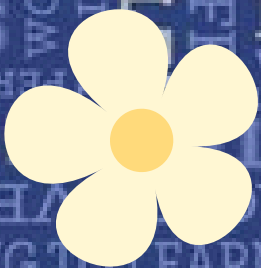

Farm Tech

We got to work with Progressive Agriculture's Safety Days to teach the public to stay safe around grain bins, ATVs/UTVs, and even underground utilities!

Jag Lake

We got to not only work on setting things in place for this upcoming school year, but enjoy the lake and do some outdoor team bonding!

Upcoming Events

FIRE Conferences

Theme : Forge Your Path
